

CAMP WILD SMALL GROUPS 2020

This summer Camp Wild will be hosting limited in-person Small Group gatherings. These gatherings will take place in the afternoons only. Small Groups will consist of 10 people— a mix of campers and counselors. Small Groups will never mix with another Small Group.

Small Groups will be held from **12:30-4:00 PM**. We will provide transportation inside city limits, and pick-ups will be from **12:00-12:30 PM**. Campers will return home between **4:00-4:30 PM**. Afternoons will consist of a picnic lunch, a message about Jesus, swimming in the creek, games, and structured free-time.

Campers will be able to attend Small Groups at least once this summer, maybe even more times. This all depends on how many different campers sign up for Camp Wild this summer. We will decide the frequency of your camper attending a Small Group at the end of June / early July. We appreciate your patience and understanding during this challenging time.

SAFETY PROTOCOLS AS OF JUNE 5, 2020

Camper Health Qualifications & Requirements

- *Camp Wild will do a daily temperature and symptom check on each camper.
- *Sick campers or those with symptoms must stay home. If a family member is sick, the whole family must stay home.
- *Campers must wear a mask for the duration of the Small Group afternoon outing. Masks may only be removed when swimming or in the 'Breathing Station'. **Masks will NOT be provided at Camp Wild.**
- *No out of State campers are permitted to attend Camp Wild this summer, due to Maryland's state regulations.
- *Individuals with underlying medical conditions shall obtain clearance from their primary care physician before attending camp.

Small Group Guidelines

- *Small Groups will consist of 10 people— a mix of campers and counselors.
- *Campers must maintain 6 foot physical distance from all non-family members.
- *Small Groups will never mix with another Small Group and will be properly distanced apart.

Transportation Guidelines

- *Symptom check will take place before campers may enter the vehicle.
- *Campers will be assigned a seat on the van/bus for the day.
- *Campers will be seated with an empty seat beside each camper.
- *Vehicles will be sanitized and cleaned each day

Creek / Swimming Guidelines

- *Only one Small Group will be in the creek at a time
- *Campers will sign-in/out of the creek
- *Maintain 6 foot physical distance
- *Boogie boards, goggles, and other swimming gear will NOT be available from our Rental Shop this summer. Campers are welcome to bring their own swimming accessories.
- *A hand sanitizing station will be creek-side
- *Masks must be worn upon exiting the creek

Outdoor Games

- *Games will be low & no contact
- *Based on skill-building drills
- *Played as individuals

Breathing Station

*We know wear masks can be hot. If a camper gets overwhelmed or needs a break, they may visit one of our "Breathing Stations". This will be a shaded place well distanced from other campers, where the camper may remove their mask and cool off in the shade. Only one camper at a time will be allowed in the "Breathing Station".

Counselor Guidelines

- *Camp Wild will do a daily temperature and symptom check on each counselor.
- *Sick counselors or those with symptoms must stay home. If a family member is sick, the whole family must stay home.
- *Counselors must wear a mask for the duration of the Small Group afternoon outing. Masks may only be removed when swimming or in the 'Breathing Station'. **Masks will NOT be provided at Camp Wild.**
